

COLE & MASON

ENGLAND

2024 PRODUCT LAUNCHES

EXPERTS IN SEASONING SINCE 1919

THE BRAND

The origins of our brand date back to 1919 when Cole & Mason was founded as a giftware company in the historic heart of the City of London. The company soon expanded into general home goods and in 1946 we launched our first wooden mill for seasoning. A passion for flavour was ignited: inspiring us to develop made-to-last products to bring out the best in everyday food using the latest technologies and materials. This quest for quality and innovation are at the heart of the Cole & Mason story to this day.

Our aim is to provide you with both the tools and knowledge to bring out maximum flavour and taste when cooking and entertaining. We want to help make every single cooking experience a memorable one so that the feeling of each meal will resonate with you long after enjoying it.

VERSATILE, SOPHISTICATED COLLECTIONS DESIGNED TO TAKE CENTRE STAGE

Continuing to build on a century long status as “Experts in Seasoning”, this year sees us expanding on our signature London and Hoxton collections with the introduction of two new premium finishes.

The all-new Holborn mill brings a contemporary and fresh design to the Cole & Mason portfolio, combining acrylic and wood, striking the perfect balance between functionality and aesthetics.

Whether for use at home or the Horeca environment, the 2024 collections will attract attention for all the right reasons.
