Say hello to Ooni Pizza Ovens!

Ooni Pizza Ovens was founded by husband-and-wife team Kristian Tapaninaho and Darina Garland in 2012. Growing up in Finland, where his family ran a bakery and families often cook outdoors, Kristian was surrounded by brilliant wood-fired food and baking from a young age. Later living in London with their young family, he was frustrated that the pizzas he was able to cook at home lacked that restaurant-quality taste. His domestic oven wasn't hot enough, and living in a rented property, building an expensive brick oven wasn't feasible.

The only wood-fired pizza ovens on the market were expensive and bulky. Kristian had no engineering background, but was driven to create an accessible pizza oven that could create authentic pizza outdoors.

After prototypes and backyard testing, Ooni created a new retail category when we launched the world's first portable wood-pellet pizza oven in 2012.

Ooni Pizza Ovens are hot! Heating up to a colossal 950°F (500°C), all our models cook incredible pizza in just 60 seconds. Our pizza oven models start at 22lbs (10 kgs), so the pizza party is on wherever you are.

Since launching, Ooni has grown into an award-winning, family-run global business from our head office in Scotland. Our pizza ovens and accessories are sold in over 70 countries, and are loved by our customers and the press. Last year, our Ooni Pro Multi-Fuel Outdoor Pizza oven was named 'best pizza oven' by WIRED magazine, and we were ranked 7th in the Sunday Times Fast Track 100 fastest-growing businesses in the UK.

**Make Great
Pizza at Home**

Ooni Karu 16

Multi-Fuel Pizza Oven

NEW FOR
2021

The Ooni Karu 16 oven takes the most versatile Ooni outdoor cooking experience and brings advanced technology to the pizza party. With multiple fuel options, try using wood and/or charcoal for the joy of the pizza purist experience and a subtle wood-fired flavor, or go for a low-maintenance cooking experience with an Ooni Gas Burner.

- Fuelled by wood or charcoal out of the box or by gas with the optional Ooni Gas Burner (sold separately).
- Improved insulation on ceramic fiber-insulated stainless steel oven body and door.
- New full glass oven door with ViewFlame™ technology reduces soot build up and increases visibility; new drop down design allows easy access.
- Mounted digital thermometer displays internal Ooni Karu 16 oven temperature in °F or °C.
- Optimized airflow engineering between fuel tray and oven body.
- Reaches 950°F (500°C) in just 15 minutes.

Dimensions:	20 x 32 x 33" (50 x 82 x 84 cm)
Weight:	62.6lb (28.4kg)
Materials:	Powder-coated carbon steel Stainless steel, nylon TPR feet

Ooni Karu 12

Multi-Fuel Pizza Oven

Master the art of fire with Ooni Karu 12 Pizza Oven. Fueled by real wood or charcoal, cook authentic wood-fired, stone-baked pizza in any outdoor space in just 60 seconds.

- Custom-designed fuel tray maximizes airflow and delivers a powerful blast of searing flame – load it up with real wood or charcoal, with no excess ash to clean.
- Weighing just 26.5lb (12kg), this Ooni oven offers portability plus all the power and heat of a larger wood-fired oven.
- Stainless steel body is ceramic fiber-insulated, with an extra-thick Ooni Baking Stone and patented flame keeper for maximum heat retention.

Dimensions:	30 x 15 x 31" (80 x 40 x 77cm)
Weight:	26.5lb (12kg)
Materials:	Brushed 430 stainless steel Glass-reinforced nylon TPR feet

Ooni Koda 16

Gas Powered Pizza Oven

Take charge of your outdoor cooking experience with the Ooni Koda 16 Pizza Oven designed for stone-baking epic 16-inch pizzas and so much more. Blending the convenience of gas power with a show-stopping design, this Ooni oven boasts a wide oven opening and large stone baking board – ideal for cooking for groups.

- Cook epic stone-baked, 16-inch pizzas in just 60 seconds, with an authentic stone-baked texture.
- Durable, ceramic fiber-insulated, powder-coated steel shell for superior heat retention and weather resistance.
- Runs on propane gas, reaches 950°F (500°C) and is ready to cook within 20 minutes of firing up.

Dimensions:	25 x 23 x 13" (63 x 59 x 35cm)
Weight:	40.1lb (18.2kg)
Materials:	Powder-coated cold-rolled steel shell Cast aluminum nose Stainless steel inner body, base & burner TPR feet

Ooni Koda 12

Gas Powered Pizza Oven

Designed for ultimate speed, convenience and ease of use, the Ooni Koda 12 Pizza Oven features instant gas ignition and an adjustable heat control dial for reaching a broad range of temperatures.

- Cook incredible stone-baked pizza in 60 seconds.
- Durable, ceramic fiber-insulated, powder-coated steel shell for superior heat retention and weather resistance.
- This Ooni oven runs on propane gas, reaches 950°F (500°C) and is ready to cook within 15 minutes.

Dimensions:	25 x 16 x 12" (63 x 40 x 30cm)
Weight:	20.4lb (9.25kg)
Materials:	Powder-coated cold-rolled steel shell Cast aluminum nose Stainless steel inner body, base & burner TPR feet

Ooni Fyra 12

Wood Pellet Pizza Oven

The Ooni Fyra 12 Pizza Oven delivers a world-class wood-fired experience. Cooking with wood pellets means a streamlined, no-nonsense cooking experience. This Ooni oven is super easy to use and cooks truly great wood-fired pizza in just 60 seconds.

- The Ooni Fyra 12 Pizza Oven runs on energy efficient, sustainably sourced Ooni wood pellets that give pizza and dishes an authentic wood-fired flavor.
- Highly durable, Ooni Fyra 12 is great in your backyard all year round or, truly portable, bring it with you wherever you want to cook.
- Reaches 950°F (500°C) and is ready to cook within 15 minutes.

Dimensions:	29 x 18 x 29" (74 x 39 x 73cm)
Weight:	22.9lb (10.4kg)
Materials:	Powder-coated carbon steel Glass-reinforced nylon TPR feet

Weight: 0.3lb (0.6kg)
Material: Stainless steel, bamboo

Ooni Pizzaiolo Apron

Get your hands dirty, but not your clothes! Our hard-wearing Ooni Pizzaiolo Apron is made of heavy-duty canvas with genuine leather accents, featuring two multi-use pockets, dish towel holder, adjustable straps for the perfect fit and removable buckles for easy washing.

Dimensions: 35 x 26 x 0.3" (90 x 67 x 1cm)
Weight: 1lb (0.4kg)
Materials: Genuine leather, heavy-duty canvas

Ooni Pizza Oven Gloves

These heat-resistant leather gloves lined with flannelette and canvas will add protection when cooking with all Ooni Pizza Ovens, whether you're removing the door or topping up the fuel.

Dimensions: 14 x 7 x 1" (35 x 17 x 3cm)
Weight: 0.8lb (0.4kg)
Materials: Leather, flannelette, canvas

Ooni Dual Platform Digital Scales

Streamline your pizza prep and make the perfect dough every time with our Ooni Dual Platform Digital Scales. Measure all your ingredients down to a tenth of a gram – yes, even those tiny amounts of salt and yeast – using the bead-blasted stainless steel platforms, a dual LCD display to see both platform measurements simultaneously, and a custom-fit measuring dish for yeast or herbs.

Dimensions: 12 x 7 x 1" (31 x 18 x 3cm)
Weight: 1.7lb (0.8kg)
Materials: Plastic, bead-blasted stainless steel

Ooni Infrared Thermometer

Measure the surface temperature of your Ooni Pizza Oven's baking stone in seconds! Aim the laser guide at the middle of your stone baking board and the reading will display on the screen. Displays in °F or °C.

Dimensions: 5 x 4 x 1" (13 x 9 x 3cm)
Weight: 0.6lb (0.2kg)
Materials: Plastic

Ooni Koda 16 Natural Gas Conversion Kit*

This kit contains the parts and tools you need to convert the Ooni Koda 16 Pizza Oven from its default gas fuel (propane) to run on natural gas from a fixed natural gas line.

***Only available in US for use with Ooni Koda 16 Pizza Oven**

Dimensions: 10.2 x 2.4 x 10.2" (25 x 6 x 25cm)
Weight: 2.2lb (0.99kg)
Materials: Various

Ooni Baking Stone

The Ooni Baking Stone's heat retention bakes from below for perfectly cooked pizza bases and well-cooked dishes that are ready fast. The high-quality cordierite stone baking board will also provide exceptional results in a conventional oven.

Ooni Baking Stone comes as standard with the Ooni Koda 12 Pizza Oven and all ovens (in a size to suit!).

Dimensions: 15 x 15 x 0.4" (15 x 15 x 0.4cm)
Weight: 4.6lb (2.1kg)
Materials: Solid cordierite stone

'Ooni: Cooking with Fire' Cookbook

Our first ever cookbook, Ooni: Cooking with Fire, is written by Ooni co-founders Kristian Tapaninaho and Darina Garland to share our story, recipes and inspiration for great outdoor cooking. Experience the beauty of cooking with fire and our favorite Ooni Pizza Oven dishes inspired by their time spent living and working in Finland, London and Scotland.

Ooni: Cooking with Fire is designed to help you get the most out of your Ooni Pizza Oven experience, whether you're cooking in your own backyard, a campsite, the beach, or wherever the wind takes you.

Dimensions:	10 x 8 x 1" (26 x 21 x 2cm)
Weight:	2.4lb (1.1kg)
Materials:	Paper, toner ink

Ooni Cast Iron

Use your Ooni oven to its full potential with the Ooni Cast Iron range. All pieces made of high-quality durable cast iron, suitable for the high heats of Ooni Pizza Ovens.

Ooni Cast Iron Skillet

Made of high-quality durable cast iron, the Ooni Cast Iron Skillet has excellent heat retention and is the perfect all-purpose pan. Great for use in your Ooni Pizza Oven, on open fires and on a domestic hob or stovetop. The unique removable handle and heat-resistant wooden base means safer handling of the hot pan.

Dimensions: 17 x 10 x 2" (42 x 25 x 4cm)
9" (22cm) cooking surface
Weight: 6.3lb (3kg)
Materials: Cast iron, beech

Ooni Dual-Sided Grizzler Plate

Load up that extra-large cut of beef and sear it off in your Ooni Pizza Oven. The cast iron Ooni Dual-Sided Grizzler Plate fits inside all of our pizza ovens, so you can go beyond stone-baked pizza to make a range of larger flame-cooked dishes for a crowd. Use the removable handles to easily move the plate, and rest it right on the beech serving board.

Dimensions: 15 x 13 x 3" (37 x 33 x 7cm)
Weight: 13.4lb (6.1kg)
Materials: Cast iron, beech

Ooni Grizzler Pan

The Grizzler Pan will help you cook delicious meat, fish and vegetables, with the added distinctive grill marks of a griddle pan. Try a Grizzler Pan steak and you'll never look back! Made of high-quality cast iron with a removable handle and wooden serving board for ease of use.

Dimensions: 17 x 6 x 3" (44 x 16 x 8cm)
Weight: 5.5lb (2.5kg)
Materials: Cast iron, beech

Ooni Sizzler Pan

You can cook amazing meat, fish or vegetables with the Sizzler Pan. Food retains juices and flavors while being flame-cooked in record time in your Ooni Pizza Oven. Removable handle and wooden serving board make handling this high-quality cast iron pan simple and safe.

Dimensions: 17 x 6 x 3" (44 x 16 x 8cm)
Weight: 5.5lb (2.5kg)
Materials: Cast iron, beech
